

1 loop = 2.4 miles

Try Boro Kids Triathlon

Parking:

- Participants can start parking at 6AM in the lot labeled Participant Parking. If this lot does get full, we will have more than enough room in the volunteer parking. We will have the gates open for you to go through StarPlex so that the walk is not too long to transition.
- ALL volunteers are to park in the Volunteer Parking lot.
- We will have limited number of spots available near Dejarnette Road, but would like to keep this area free of cars for the kid's safety. If you need to leave prior to 8:45AM, you may want to park in this area.
